

Rio Grande Mission Center Conference
November 14, 2009
Clovis, NM

We sang HS 18 *All Things Bright and Beautiful* as our gathering hymn, with Ellen Frye as pianist. Larry Rollstin brought the opening prayer.

Bruce Darrington called the meeting to order. Attention was drawn to the printed minutes from the July 2009 conference. After a few minutes to read them and with no amendments, Bruce declared them approved as printed.

The ballots for World Conference delegates were handed out. No new names were added. Time was given for people to fill the ballots out, they were collected for later counting.

Bruce called up the item of calls to high priest. He announced the calls of Stazie Church and Jon Brinkmann to high priest and said these calls have been approved by the Council of Twelve. He shared his testimony for Stazie Church. Stazie made a statement of acceptance, several people made statements of support. The vote was unanimously in favor of acceptance. Bruce share his testimony of calling for Jon Brinkmann. Jon was unable to be present due to injuries from an accident. Bruce read his statement of acceptance. Several supportive statements were made. The vote was unanimously in favor of acceptance.

Bruce called upon Belinda Salge, who made an announcement of a service project she was offering to the mission center.

The chair made note of the summer conference action calling for annual fall conferences, and asked if people wanted them centrally located or spread through out the mission center. People voted for centrally located. Bruce then asked if they wanted them at Clovis and in the congregation, or in Roswell and in a conference room. They selected in the church at Clovis.
